

Utah Certified Local Government Program Grant Application 2015-2016

The purpose of this grant program is to assist local governments with their historic preservation programs. The grants consist of federal and state funds and require a 50/50 match of local funds or donated services. Only local governments that have been "certified" by the State Historic Preservation Office and the National Park Service are eligible to receive these grants. Please only submit one grant application per CLG.

Mail, fax or email both sections of the completed application no later than February 13, 2015 (postmarked), to:

Utah State Historic Preservation Office | Debbie Dahl
300 S. Rio Grande Street | Salt Lake City, UT 84101
ddahl@utah.gov | 801-245-7233
fax: 801-533-3503

Notification of grant awards will be made by the end of March. The grant period runs from April 1 to August 31 of the following year (16 months). Questions: contact Barbara Murphy 801-245-7251, bmurphy@utah.gov, or Debbie Dahl 801-245-7233, ddahl@utah.gov.

2. SURVEY AND INVENTORY

Reconnaissance Level Survey. Systematic architectural survey conducted by professional consultants or unsystematic archaeological survey conducted by qualified archaeologists. (See professional requirements in Appendix A.) Architectural survey products include photographs of buildings in the survey area, a survey map, computerized survey data (entered into Preservation Pro), and a survey report with recommendations for future research. The consultant rate is approximately \$18-\$22 per building. Archaeological surveys must generate completed IMACS forms for each site. *Please consult with the State Historic Preservation Office (SHPO) for guidelines before starting survey.*

Intensive Level Survey. Historical documentation of buildings, OR, systematic archaeological survey involving comprehensive survey of all areas within survey boundaries. Archaeological surveyors and paid historical site surveyors must meet professional requirements (see Appendix A). Whether completed by professional consultants or trained volunteers, the documentation must meet state standards. Consultants charge approximately \$800-\$1,100 per building. *Please consult with the State Historic Preservation Office (SHPO) for guidelines before starting survey.*

RLS Product: The proposed survey will include approximately ____ buildings or sites. The survey area is as follows:	
ILS Product: Intensive-level documentation will be completed for the following properties (list or briefly describe):	
Professional consultant, ____ buildings or sites at \$ _____ each	\$
Professional consultant, ____ buildings or sites at \$ _____ each	\$
Trained volunteers, _____ hours @ \$7.25 per hour	\$

Over Match:	-----
Total Survey Cost	\$

3. NATIONAL REGISTER NOMINATIONS

Involves completing registration forms and all supporting documentation (maps, prints, image files on CD, copies of research) for National Register designation of significant structures and sites. It is usually best to hire a consultant to complete these complex forms. Consultants must meet professional requirements (see Appendix A). Consultants charge approximately \$1,400-\$2,000 per individual nomination; \$5,000-\$8,000 per historic district nomination; \$4,000-\$7,000 per multiple property documentation context.

Product: Number of National Register nominations to be completed (list or briefly describe the proposed nominations):	
Professional consultant, _____ buildings or sites at \$ _____ each	\$

4. PRE-DEVELOPMENT

Preparation of feasibility studies, working drawings, and specifications for the rehabilitation, preservation, and stabilization of properties eligible for the National Register. Projects must meet the Secretary of the Interior's "Standards for Rehabilitation and should be performed by appropriate professionals (i.e., architects or engineers; see professional requirements, Appendix A).

Product: Number of pre-development projects to be completed (briefly describe each project):	
Professional services	\$
Other costs (specify):	\$
Other costs:	\$
Over Match:	-----
Total Pre-Development Cost	\$

5. DEVELOPMENT

Labor and material costs for rehabilitating National Register properties (must be on the National Register prior to applying for rehab work). Most projects will likely be single activities, such as re-roofing, painting, window repair, etc. All projects should have "Pre-development" studies completed in advance. All proposed work must meet the Secretary of the Interior's "Standards for Rehabilitation." Selection of the property to receive the grant should be based on an open and fair selection process.

As part of the development grant, the CLG will be required to sign a Preservation Agreement. Preservation Agreements are required by the National Park Service for all development projects using federal funds, including CLG grants. A Preservation Agreement obligates the owner of an historic property which is improved with a CLG grant to maintain the property for a period of five years so as to preserve the historical significance and integrity of the features, materials, appearance, workmanship, and environment which made the property eligible for listing in the National Register of Historic Places. The Preservation Agreement must be signed by the owner of the historic property. See Preservation Agreement at: <http://heritage.utah.gov/history/grants-clgs>.

Interpretive Signs. Costs of purchasing and installing interpretive or informational markers or signs associated with the development project. **Historical markers are no longer an eligible expense unless it is purchased as part of rehabilitation work on a National Register listed building.**

Product: Rehabilitation work will be completed on the National Register property known as: (historic name and address)
